

Nova Robotics Onboarding Handbook

Section 1: Orientation

All new hires must complete a one-day orientation session in their first week. Orientation is held every Monday morning at 9:00 AM in the Atlas room.

Section 2: Equipment

New hires receive a laptop, a security badge, and a parking permit on day one. Replacement badges cost twenty-five dollars from facilities.

Section 3: Safety

Safety glasses are required at all times in the lab. Fire extinguishers are located near every exit on every floor.
