

Helios Hardware - Q1 2026 Price List

This price list summarises all hardware SKUs available for internal procurement through Helios Hardware in the first quarter of 2026. Prices are in US dollars and exclude applicable taxes. Stock figures reflect the Boston distribution centre and refresh nightly. Items marked as low stock (fewer than 20 units) require manager approval.

Ordering Notes

Orders above 5000 USD require a purchase order signed by the cost centre owner. All laptops ship with a 36-month onsite warranty; monitors and peripherals carry a 24-month return-to-base warranty. Lead time is 3 business days for stocked items and 4-6 weeks for back-ordered items. Internal transfers between offices incur no shipping fee.
